

Hello,

How are you? I hope you're fine. I'm a child who I was living 100 years before you! I'm writing this letter to tell you about me and my habits.

First of all my name is Anta. I'm 12 years old and I'm in the first grade of junior high school. I live in Thessaloniki, in Ampelokipi. I have got a lot of friends but my bests friends are Elena and Danai. I love them like sisters!

I have got a round face, almond-shaped brown eyes and a normal nose. I have got straight, medium-length brown hair. I like wearing trendy clothes, like jeans, a T-shirt with a jacket and Jordans shoes. I like Jordans and they're in fashion. Sometimes I wear casual clothes because I feel better in them. I think I'm talkative, but only when I'm with my friends. Also, I think I'm shy very often, helpful when I like to and friendly because I've got a lot of friends.

My family includes five members, my parents, my sister, my brother and me. I like going out with my family. I have fun. I love my family, because when I need help they help me and love me, too.

My hobbies are dance, volleyball, football and gymnastics. I go to a dance studio two days every week and I dance hip-hop lots of kids like dances hip-hop. I play volleyball and football at school and when I'm out with friends. The football isn't only for boys and some girls like plays football. I like doing all these athletics, especially dance. I have danced for four years and I love it!

That's little description of me. I hope that you can understand some things about kids before 100 years!

lots of kisses,

Anta
